

FOR IMMEDIATE RELEASE:

StrikeForce Signs International Distribution Agreement with Damovo For Europe And Latin America

Damovo Expands StrikeForce's Global Reach

Edison NJ, (August 14th 2007), StrikeForce Technologies (OTCBB:SKFT), a company that specializes in the prevention of identity theft, today announced that it has signed a distribution agreement with Damovo to sell its Identity Theft prevention software products and services throughout Ireland. Damovo will also leverage its' extensive global group affiliations to sell these solutions into other markets within Europe and Latin America.

Damovo is a leading provider of technology and service solutions in the enterprise Information Communication Technology (ICT) arena. With over 30 years' experience in designing, delivering and supporting complex communication networks and integrated business applications, Damovo has established relationships with many best-of-breed technology vendors -such as Cisco, Nortel, and Ericsson.

"We are very excited about having a *World Class* company, like Damovo, represent our product line in Europe and Latin America," says Mark L. Kay (CEO), "they have a proven track record in sales & service and are deeply committed to delivering quality solutions. Damovo is proactively attentive to customer needs, both present and anticipated, while their staff is extremely client oriented and professional."

John McCabe, managing director of Damovo Ireland comments: "Damovo is delighted to be providing Strikeforce's Identity Theft prevention software products and services to the Irish, European and Latin American markets. Company's can no longer afford to ignore the issue of identity theft. It is critical that they protect themselves and their customers against this threat."

About StrikeForce Technologies

StrikeForce Technologies, a leader in solutions that helps prevent identity theft, is a company that can protect consumers, customers, partners and employees—in real time against identity fraud. Its total protection solution strengthens companies' defenses against the biggest points of fraud—when the Internet is accessed, when accounts are opened, when they're accessed, when they're changed, and each time there's a new transaction. StrikeForce Technologies is trading on the OTC bulletin board (SKFT) and the company is headquartered in Edison, N.J., and can be reached at www.strikeforcetech.com or (866) 787-4542.

About Damovo: Damovo designs, implements, supports and manages business communications. Its range of end-to-end communications solutions and services improve the way organizations work by connecting them with their people, information and clients. Damovo has 30 years' experience in delivering data, mobility and voice solutions, and long-standing relationships with some of the leading vendors in this market, such as Ericsson, Cisco, Nortel and StrikeForce. This heritage enables Damovo to provide organizations with the best communications solution for their requirements, while guiding them from consultancy and design, through to implementation, support and education.
